The DIMMER VIEW

by MAX GOODWIN

The Lemon Grove Coordinating Council awarded a plaque to the Rev. E. Walter Smith, pastor of the L.G. Congregational church Monday night. Mr. Smith is past president of the Council.

It is a fitting presentation because the Council is comprised of members of practically every organization here which indicated that the community was generally in accord as to the recipient.

The award was the first ever made by the Council and because it was inscribed "Good Citizens Award," it indicated precisely what Mr. Smith is and what he stands for.

Mr. Smith came to Lemon Grove three years ago when the community was sagging. The condition resulted from several things which need not be brought back to daylight now. His quiet, persuasive manner was effective in bringing people together again, stiffening our community backbone, and reviving our flagging spirit.

Two years ago he accepted the presidency of the Lemon Grove Coordinating Council and through his leadership an election for a recreation district was held. The issue failed, but not by much. To his everlasting credit should go the knowledge of his having tried.

Mr. Smith is not the only person capable of earning the plaudits and respect of the community. There are others whose proper place is in the position of leadership. For whatever reason each may have, few of these having the substance and intelligence to provide leadership have come forward.

As a matter of honest fact, some of those who should have been providing leadership of the style and type shown by Mr. Smith, have been providing opposition for projects developed for the good of the community.

We could use more citizens in the pattern of the Rev. E. Walter Smith.

This month, in this column, we told the story of Jorge Zayas, a refugee newspaper publisher of Havana, whose newspaper was confiscated by Castro, and of Zayas' complaint that he had never been contacted by U.S. Embassy personnel in all his years as publisher.

This week comes a communication from C. C. Moseley of Glendale, California who says:

"Not all the news from Cuba is bad. Castro has confiscated the Cuba Nickel Company, a United States Government corporation, which has been competing with private business and has cost all the taxpayers 90 million 249 thousand dollars since its inception.

Also, we won't have to pay the salaries and benefits to over 800 people formerly in the U.S. Embassy in Cuba. Castro's figure of 11 people for the U.S. Embassy sounded about right. How many of these "freeloaders" do you suppose we have in countries all around the world?"

Don't eat that last roll because, "Any adult obviously obese might just as well wear a placard saying, 'I haven't any self-control,'" declares Dr. Edward J. Stieglitz, Washington D.C., internist. "Ninety-nine per cent are the result of over eating; one per cent are the result of other disorders."

For all the talk about Communist infiltration, few persons have been shown adequate proof that the communist is actually exists in this community, but it does.

We are able to quote to you, directly from the official pamphlet of the Communist Party of San Diego, the one being currently circulated under that banner although it lists 524 S. Spring st., room 513, L.A. 13, as its home address.

In this issue the topic is unemployment and the party charges that unemployment is the result of "breakdown of that 'free enterprise' system which sets profit and loss before human life and happiness."

This is obviously a pitch for a socialistic way of life. Near the end of the four-page pamphlet the issue is dealt with directly. Full employment, together with many fine things for oppressed people, are promised. . . "In a Socialist society they (schools, hospitals, art centers, parks, convention halls, transit system, and others, all municipally operated) could be come tangibly real. The Communist Party of San Diego believes that such dreams are worth working for, for Socialism will accord to labor the honor and dignity it merits and will banish forever the nightmare of unemployment," is the word-for-word statement.

The regular party line of "peace at any price" is made a part of the pamphlet's preachments, of course.

"The fight for jobs" it states, "is inseparable (sic) from the fight for peace."

It adds, ". . . 80 per cent of the national income is being squandered in the public 'shooting gallery.' . . . And concludes with a plea that you partake actively in the fight for jobs and, at the same time, keep "distressed areas" from further economic disaster.

In a nutshell, you are asked to renounce free enterprise, adopt socialism, and to stop defense activities.

Kids Playing with Matches Blamed in \$1200 Fire Here

Children playing with matches resulted in two fires here during the past week with damage in one blaze set at approximately \$1,200.

Two youngsters, age four and five, started a fire Tuesday morning at the Albert D. Gamster home, 3892 Bass St., when they lit matches in a bedroom closet. Fire Dept. officials said.

Fire damage was confined to the bedroom and closet, but smoke and heat damage was reported throughout the house. Damage has been estimated at about \$1,200.

Another youngster, playing with a cigarette lighter in a clothes closet, started a fire at

the home of Mrs. B. G. Elkins, 1926 Ensenada, Lemon Grove. Damage was confined to clothing in the closet and was estimated at about \$140 firemen said.

C. Randazzo, of 3161 Citrus Ave., drove his car to the fire station Monday when a tossed cigarette started a fire on the rear seat. Firemen put out the fire with a garden hose.

The department was called to 7345 Broadway, Lemon Grove, at 7:50 a.m. Friday after water pipes in the building occupied by a carpet shop broke during the night. Firemen stopped the water, but no damage of the flooding has been reported.

GREEN-SPOT PARK DELAY MAY EXTEND SIX WEEKS

A five or six weeks wait before a greenspot park at Washington and Alton streets in Lemon Grove can be started was reported to the L.G. Coordinating Council by its legal staff.

The delay is caused by several things, according to Howard Muhleman, who, together with Robert Sjogren, comprise the council's legal staff. The resignation last year of the county's park and beach commission designer is one reason. He has recently been replaced, Muhleman reported. Other reasons include a change in design; the running of a water line into the property; the planning commission, park commission and supervisor's due processes, and the funding problem from county resources.

Muhleman and Sjogren, both attorneys here, said they had been in conference with Cletus Gardner, county director of parks and beaches who said the L.G. park was the "number one project" in his department. He acknowledged the \$300 contribution made by the L.G. Women's club juniors and announced that his department had already purchased \$800 worth of equipment for the park. Several other donations were made at the Monday meeting, according to Dr. Dennis McLaughlin, council chairman.

The choir of the L.G. junior high school under the direction of George Starkey presented an entertaining program to open the meeting.

Ben Dixon, historian of the S.D. Historical Days Society, pictured the Lemon Grove area before and during its formation as a community. He said the birthdate of Lemon Grove was February 22, 1889. He linked it with the opening of a flume which brought water to the area.

He said Lemon Grove became a school district in March 1893. Dixon presented President McLaughlin with a nail taken from San Diego county's first school which was located in east San Diego.

Coordinating council meetings are held every third Monday at the junior high school auditorium.

Persons wishing to participate in Coordinating Council activities may do so through Mrs. Edna Seal, chairman of the organization membership committee (HO 6-6022) or Margaret Sayward, chairman of the interested citizens committee (HO 7-5917) or by attending any of the regular meetings.

The supervisors had a letter Tuesday from Mrs. Davis stating she was willing to "guarantee" to eliminate the things her neighbors were objecting to.

The planning commission on Feb. 10 approved plans of Blanche Hale Peirce Davis to convert two existing duplexes and a bedroom dwelling to accommodate up to 16 elderly persons, but only after hearing vigorous protests from a number of residents of the neighborhood.

Principal objection voiced at that hearing and in letters to the supervisors since then was that there are already two other rest homes in the neighborhood. Another would create parking problems and the elderly people would object to the noise and activity of children, it has been contended.

At the planners' hearing, a neighbor who said he had an older rest home "in my back yard" objected to what he called unsightly clotheslines and other unpleasant conditions.

Easter Bunny to Share Promotion With St. Patrick

A three-day celebration in Lemon Grove March 16, 17 and 18, will combine the joviality of St. Patrick with the attractiveness of the pretty things the Easter bunny brings.

The promotion, sponsored by Lemon Grove's business firm, will culminate with an outdoor style show in the plaza. At the same time a drawing will be held in which more than two dozen shoppers will receive merchandise valued at several hundred dollars. Free lemonade will be distributed during the showing. Merchants will embrace the St. Patrick's theme wearing Irish hats, sleeve garters, and the more hardy, may smoke clay pipes.

In charge of the promotion is Patricia Hutchinson of Patricia's Sportswear who is aided by Barbara Howell of CP Appliances.

Some of the prizes already listed for distribution are: a movie camera, L.G. Camera; a Easter outfit by Helen Gauld in his shop; a pair of Vitality shoes with matching bag from Burriston's; Easter outfit, Patricia's Sportswear; pair of \$2 slacks, Highlander Store for Men; Any dress up to \$25.85 Dena's Shop for Women; transistor portable radio, CP Appliances, and boy's Easter outfit L.G. Department store.

There will be others, all of which will be listed here as the prizes are announced.

According to Skip Degenhart, chairman of the merchants group, no purchase is necessary to be eligible to win a prize. Winners will be chosen from a list of names supplied by each member merchant's store.

Protests Prompt Second Hearing On LG Rest Home

SAN DIEGO (CNS)—Neighbors' protests over a proposed rest home at 2545 Crestline Dr. in Lemon Grove—for which a permit already has been approved by the County Planning Commission—Tuesday caused the Board of Supervisors to schedule another public hearing for 2 p.m. March 21.

The planning commission on Feb. 10 approved plans of Blanche Hale Peirce Davis to convert two existing duplexes and a bedroom dwelling to accommodate up to 16 elderly persons, but only after hearing vigorous protests from a number of residents of the neighborhood.

Principal objection voiced at that hearing and in letters to the supervisors since then was that there are already two other rest homes in the neighborhood. Another would create parking problems and the elderly people would object to the noise and activity of children, it has been contended.

Plans Submitted By Citizen Group

SAN DIEGO (CNS)—A two-page draft of what is proposed as a substitute for the county's new land-division or "split lot" ordinance was referred Tuesday by the Board of Supervisors to its legal counsel for study.

The brief proposed ordinance was offered by the Citizens Assn. for Better Government.

An organization, which has been circulating referendum petitions intended to block enforcement of the law passed by the Supervisors last Dec. 8. In order to allow the county planning department time to set up enforcement machinery, the supervisors wrote into the ordinance an effective date of March 6.

The petitioners contend that under the state referendum law they have until March 6 to obtain the 29,000 signatures needed to force repeal of the ordinance or bring it to a vote of the people. The Board has been advised by the county counsel, however, that regardless of any wording of the ordinance it became effective on Jan. 6, 30 days after being adopted by the Board.

In a letter Tuesday accompanying its substitute ordinance, the association demanded immediate repeal of the county's version before it can be enforced.

To this Chairman David W. Bird of the Board remarked, "We're not wedded to anything, and we'll change the ordinance if it needs changing."

Bird has consistently maintained, however, that the Board is not likely to repeal its new and-control measure before giving it a chance to operate, unless ordered by a court to do so.

The chairman has repeatedly stated that the law adopted after nearly two years of bitter hearings, is the "best thing we could come up with" and that we'll change it if it needs any changing."

The ordinance regulates the division of land into fewer than five parcels, and is intended to insure that each parcel conform to size requirements, and have proper access to roads and sewers.

Its opponents claim it puts too much power in the hands of the county planning director. His decisions may be appealed to the Board of Supervisors.

THEFTS REPORTED

Albert W. Foil reported the theft of auto parts, two industrial batteries, a 38 calibre pistol and a pair of hunting glasses, to deputy sheriffs last week. The articles were taken from his car parked at his home, 2666 Buena Vista, Lemon Grove.

Supervisors Approve SV Chamber Zoning Request

SAN DIEGO (CNS)—A zone plan for 300 acres in Spring Valley and Lemon Grove east of Broadway which limits construction to single-family dwellings was approved Tuesday by the County Board of Supervisors.

The only exception is a commercial corner in the northwest part of the area.

The Spring Valley Chamber of Commerce had requested that the area—formerly zoned for duplexes and commercial use—be rezoned for single-family dwellings.

The reclassification was approved by the County Planning Commission in November and forwarded to the Supervisors, who referred the matter back to the planners early last month after a protest was received.

The supervisors approved the plan Tuesday after it was pointed out by Willis H. Miller, county planning director, that a separate hearing would be held soon by the planning commission on a request from Roy A. Myers that his property be classified R-1A, which permits building sites as small as 6,000 square feet, instead of R-1, which requires sites of 10,000 square feet or larger.

Miller said Myers' land was actually outside the map area selected by March 15, he said. Two senior winners of the San Diego fair will move onto the National Science Fair in Kansas City, Mo. in May. Last year David Milne of Crawford High and Sylvia Lane of Kearney High represented San Diego in the national fair in Indianapolis.

Thousands of junior and senior high school students will exhibit in the preliminary fair which will be open to the public at most schools in the county. From these students will come the 200 to 300 exhibits to be placed in the Federal Building, Weisbrod said.

James Dempsey, manager of Convair-Astronautics, is chairman of the board of the Greater San Diego Science Fair.

Arson Charge Falls Short; SV Man Free

SAN DIEGO (CNS)—A charge of arson against a Spring Valley man for the burning of his home collapsed in Superior Court last Thursday when the district attorney's office could not prove that the fire had been of incendiary origin.

The accused was Claude Gerald Storms, 49, whose residence at 2675 Helix Dr., Spring Valley, burned to the ground Oct. 1, 1960.

The prosecution contended that Storms burned his home in a fit of despair over marital troubles. It was never charged that he profited from the insurance of the structure. But the claim was made that Storms had made a statement indicating guilt.

The only witness heard Thursday was Storms' son, Tony, who testified that on the night of the fire he was on his way with his father to visit an uncle and that they were stopped by the highway patrol on the road to Los Angeles. The younger Storms said the policeman felt his father should not continue to drive and told him to stop by the side of the road until the next morning.

His father said, after the highway patrolman left, young Storms stated that he remembered he had left the iron on at the house. They returned, he continued, and his father went into the house. In a moment, the young man said, there was a sound of the roar of a fire and his father came running from the house.

Father and son returned to the place where the policeman had told them to stay and did not report the fire, young Storms said.

Barton C. Sheela, defense attorney, asked Judge Bonnell Noon to dismiss the case, as there was no evidence submitted by the prosecution that the fire had been other than an accidental one.

Judge Noon agreed, and the prosecution admitted it had no reason to dispute the decision.

LG Woman Named Convention Chief

A Lemon Grove School District official is chairman for one of the year's largest conventions in San Diego County—the California School Food Service Assn. conclave, scheduled at Hotel del Coronado, Coronado, March 26 through 28.

She is Mrs. Ruth Pfister, school lunch supervisor for the Lemon Grove district. She said some 2,000 delegates are expected to attend the three-day session.

Other county residents assisting with the convention arrangements include Mrs. Dorothy Hart, director of cafeterias for the San Diego City Schools, and Murphy J. Poret, supervisor of cafeterias for the Sweetwater Union High School district.

Mrs. Hart is serving as publicity chairman and Poret is finance chairman.

Members of the association include supervisors and directors of school food service, school cafeteria managers, and others associated with food service in the state's school districts. The association has a total membership of approximately 4,000.

Mt. Miguel Readies Science Fair

Mt. Miguel High School will join more than 40 other high schools in San Diego County in submitting entries in the Greater San Diego Science Fair, scheduled in the Federal Building, Bolboa Park, April 15 through 18, Howard Weisbrod, committee coordinator, said this week.

All projects for the Greater San Diego Science Fair will be selected by March 15, he said. Two senior winners of the San Diego fair will move onto the National Science Fair in Kansas City, Mo. in May. Last year David Milne of Crawford High and Sylvia Lane of Kearney High represented San Diego in the national fair in Indianapolis.

Thousands of junior and senior high school students will exhibit in the preliminary fair which will be open to the public at most schools in the county. From these students will come the 200 to 300 exhibits to be placed in the Federal Building, Weisbrod said.

The Rev. and Mrs. Calvin Gregory

Couple United Here in Valentine's Day Rites

Tuesday, Feb. 14, at 10 a.m., the Rev. Keith Sarver, superintendent of California Yearly Meeting of Friends Churches, performed the double ring ceremony which united Mrs. Elva Wood of Spring Valley and the Rev. Calvin Gregory of Sunny-side, in holy matrimony.

The brides mother, Mrs. V. E. Boyce of Long Beach, and daughter, Mrs. L. D. Mills of Spring Valley, and two granddaughters, Loreen and Denise Mills participated in the wedding.

The lovely candlelight ceremony was held in the parsonage of the Spring Valley Friends Church where Mrs. Wood has been residing with her daughter and family, Rev. and Mrs. Loren D. Mills. Rev. Loren Mills gave the bride away. Mrs. Mills was matron of honor and the two Mills children also took part, Denise as ring-bearer and Loreen in charge of the guest book. The best man was Roland Gregory, brother of the groom, from W. P. P.

The bride wore a pastel blue gown or imported French lace with matching gloves and a short veil. She carried a white orchid on the white Bible that her daughter had carried when she was married.

Following the ceremony which was recorded on tape, refreshments were served. Mrs. V. E. Boyce cut the cake while Mrs. June Sarver poured.

Mrs. Gregory wore a brown suit with gold accessories as the happy couple left on a 10-day motor trip to northern California.

Calvin Gregory is the pastor of the Sunnyside Friends Church where he has served for the past seven years. Elva Gregory has been a church organist for twenty-five years, having served currently as organist-director of the Spring Valley Friends Community Church. She is also a member of the American Guild of Organists and a registered teacher of music. A reception will be given the couple by the members of the congregation of the Sunnyside Friends Church upon their return.

ENGAGED

Sherilyn Humphries

Mr. and Mrs. L. E. Humphries of 3823 Calavo dr., Spring Valley, announce the engagement of their daughter, Sherilyn Gae, to Jones W. Pumphrey, son of Mr. and Mrs. J. W. Pumphrey, 9410 Slope, San-tee.

Miss Humphries is a graduate of Mt. Miguel High School and at present is attending the James Hall College of Beauty. Mr. Pumphrey attended Grossmont High School and is an officer on the La Mesa Police force.

No date has been set for the wedding.

SDG&E Cooking Program Scheduled for Tuesday

The second presentation of the February "Way Down South" cooking program conducted by Thelma Walters, San Diego Gas & Electric Company home economist, will be held Tuesday, Feb. 28, in the auditorium at the utility's Eastern District Office, 104 North Johnson st., El Cajon. It will start at 1:30 p.m. and continue until about 3 p.m.

Mrs. Walters will demonstrate how to prepare some of the palatable cooking creations which are so much a part of famed southern hospitality. These will include such Dixie delicacies as New Orleans Shrimp Jambalaya, Southern Spoon (Cornmeal) Bread, Hominy Pudding, and Southern Pecan Pie. And the recipes for these delectable dishes will be given you for use the next time you have that urge to add something "a bit different" to your dinner menu.

HONORARY LIFE MEMBERS — Mrs. Ben Ela, left, and Mrs. Ray Bierwirth, pose for the Review camera after accepting honorary life membership awards from their respective PTA units. Both presentations were made last week.

Women Awarded Honorary Life Memberships by PTA

Two Lemon Grove women last week were awarded honorary life memberships by the Palm Junior High School PTA and the Lemon Grove Junior High School PTA.

They are Mrs. Ben (Jeannette) Ela and Mrs. Ray (Val) Bierwirth.

Mrs. Ela was presented with her award during a program Thursday night at the Palm Junior High PTA Founders Day meeting.

Mrs. Ela has been vice president and parent education chairman of Monterey Heights PTA, has been a Brownie and Girl Scout leader and has been active in Boy Scout activities.

She is active in her church and specializes in the religious education field. The mother of six children attending three different schools, Mrs. Ela is active in local civic affairs and is currently a teacher's aid at O'Farrell Junior High School. She is a member of PTA units at Palm Junior High and at Monterey Heights School.

Mrs. Bierwirth was presented her honorary life member award by the Lemon Grove Junior High School PTA.

The mother of four, Mrs. Bierwirth has been active as a 4-H Club leader, a member of the Foothills Curriculum Council and the Mt. Miguel High School PTA board. She is also a past president of the Lemon Grove Junior High PTA, and a "behind the scenes helper" on many of the PTA groups activities.

Mrs. H. M. Foote, publicity chairman for the Lemon Grove Junior High PTA, in announcing Mrs. Bierwirth's award, said, "the honorary life membership given each year to a person who has been outstanding in service for the welfare of children, is much more than an ornament. It is a symbol for a vast educational program."

Patriotism -- It Pays For Karen

PATRIOTISM — Attractive Karen Sjogren is given L.G. Review award for best essay on "Difficulties, if any, of being patriotic." "Patriotism isn't always easy," she noted and earned a week-end vacation for her family at the Aztec Luxury Motel in Buena Park and dinner at the Knott's Berry Farm Steak House. Her English teacher, John Haynes is shown making the presentation while Mr. and Mrs. Robert Sjogren, Karen's parents, look on. 160 youngsters at Palm junior high school competed for prize. —Staff Photo

Karen Sjogren Wins L.G. Review-Patriotism Essay Contest

Karen Sjogren, 12-year-old eighth grader at Palm junior high school, was chosen as winner of the essay contest on patriotism sponsored by the Lemon Grove Review.

Karen, writing to the theme of "The difficulties, if any, in being patriotic" bested 159 other competitors to take the prize.

The prize is a week-end stay for Karen and her family at the Aztec luxury motel in Buena Park and dinner for the three at Knott's Berry Farm. The Aztec is within a block of Knott's.

Karen is the daughter of Mr. and Mrs. Robert Sjogren of 7627 Lansing dr., Monterey Heights. Sjogren is a trustee of the L.G. Elementary school district and an attorney in San Diego.

The contest was developed under Hal Brogan, principal and John Haynes, English teacher at Palm school. The essays were identified by numbers only. Members of the L.G. Review staff were judges.

Here is Karen's prize-winning essay:

THE DIFFICULTIES, IF ANY, OF BEING PATRIOTIC

Patriotism is more than the flying of flags and marching in parades.

To me it is the feeling of loyalty that the individual feels towards his country.

I think that the difficulties of being patriotic depend a lot on the type of government under which a person lives. Under a democracy, patriotism is a voluntary thing. Under a dictatorship, patriotism is dread or fear of the government.

During a war or crisis the people are faced with a common threat or enemy. Patriotism is at a high because the welfare of country is in danger. During peacetime, however, people tend to think more of personal wants rather than those of their country. They forget to vote, and fail to keep informed on national events. They perform the pledge of allegiance half-heartedly.

A good patriot supports and believes in what he thinks will promote the good of the nation as a whole. I think that one of the greatest difficulties in being patriotic is supporting what you think will help the country when the majority or stronger part of the population is against you. However, if the major-

ity's opinion becomes a law, a true patriot obeys that law even if he is against it.

As you can see, it is not always easy to be patriotic. Even so, in order to keep our nation strong, every citizen must strive to serve as well as love his country.

The Review sponsors an essay contest annually among junior high school students here.

County Okays Country Club Area Re-zoning

SAN DIEGO (CNS) — A change of classification from agricultural to residential for land south of Avenida Street and east of Bancroft Drive in the La Mesa Country Club section was approved Tuesday by the County Board of Supervisors.

But the Board, following a recommendation of the County Planning Commission, restricted the residential use to single-family dwellings on building sites of 10,000 square feet or larger.

Petitioners for the rezoning, Albert Chrisman and others, had requested approval of duplex use.

The planning department told the Supervisors the property is rolling hillside now occupied by nine single-family homes. Property to the north and west is zoned for duplexes but is occupied almost entirely by single-family dwellings, the department reported. Area to the east is zoned agricultural and is developed with single-family homes and avocado groves.

The petitioners had argued that "due to sewer costs, subdivision into smaller parcels would make it a good income area."

Fund Goal of \$80,000 Set for Heart Sunday

Next Sunday is Heart Sunday in Lemon Grove.

Under the leadership of vice chairman Mrs. W. Allen Moss, 4366 North Rogers Road, Spring Valley, volunteers will tour the residential sections of this community between noon and 4 p.m. to distribute health-saving information about the heart diseases and to collect Heart Sunday contributions with which the San Diego Heart Association can help speed the fight against the nation's Number 1 health enemy.

Mrs. Moss announced that her area chairmen are Mrs. Verda A. Lyng, 8749 Carolee Circle, La Mesa, Mrs. E. I. Pharee, 3409 Washington, Lemon Grove; Mrs. Madge Huber, 2076 Washington, Lemon Grove; Mrs. R. C. Miller, 6535 Selmitar Dr., San Diego, and Mrs. J. Hudson, 612 Chester St., San Diego. Mrs. G. J. Teigen, 8110 Baldwin Street, is Lemon Grove general chairman.

The pamphlet to be distributed by volunteers tells how to

Windows Broken By Vandals Here

Vandals threw a five-pound rock through a window at the home of Perry Louise DeKirby, 3647 Birdie Dr., Lemon Grove, early Sunday morning, sheriff's officers reported this week.

Saturday night vandals broke a kitchen window at the home of David Leland Meyers, 1850 Massachusetts Ave., Lemon Grove, the officers said. A can of cherries was thrown through the window at the Meyers home, they said.

Deputy J. Smith is investigating.

Juveniles Admit Automobile Theft

Four local juveniles, age 13 and 14, admitted theft of an automobile from Gordon Gene Brugman of Spring Valley and have been turned over to the Juvenile Division of the County Probation Dept., sheriff's officers said this week.

The youngsters told officers they were in trouble at school for stealing blank report cards and selling them to fellow students. They were apprehended at El Centro.

One of the youngsters, a 14-year-old girl, told officers she went with the boys "just for the ride and so I could get away from home for awhile."

Gondek's Setter Is Show Winner

Ronald Gondek, owner of the Pampered Pet Shop at 7820 Broadway, Lemon Grove, collected two more trophies at the Winter All Breed Dog Show, sponsored last weekend by the Silver Bay Kennel Club.

Gondek's Irish setter, Lord Gallant of Aragon, won first place in the American bred dog class, fourth place in the novice B obedience and was the highest scoring setter working for a degree. He scored a total of 192 points out of a possible 200.

The weekend wins brought Gondek's trophy list to 37.

Nine Churches in Area Join in World Day of Prayer Program

A reverent worship service was held at the Lemon Grove Methodist Church last Friday morning. Nine churches of the Spring Valley - Lemon Grove area participated in the 75th Diamond Jubilee of the World Day of Prayer.

An All-Faiths choir, directed by Mrs. Betty Hume of the Warner Memorial E.U.B. Church, and solos by the Rev. Roland Taylor of the Spring Valley Baptist Church and Mrs. Betty Taylor of the Congregational Church inspired all who were in attendance. Mrs. Adeline Taylor of the Lemon Grove Methodist Church played the organ.

The worship service "Forward Through the Ages" stressed unity in worship even though we worship God in different churches and in different manners.

Participating churches were the Lemon Grove Methodist Church, the Lemon Grove Congregational Church, St. Philip's Episcopal Church, Warner Memorial Evangelical United Brethren Church, Skyline Methodist Church, Lemon Grove Lutheran Church, Spring Valley Friend's Church, Foothill's Methodist Church, and the

Spring Valley Baptist Church. The offering from this service has been sent in to the state chairman of the United Church Women and will be used for various educational purposes. Two projects for this year are the sending of 500,000 books to Africa and help for the non-church people in Alaska.

SV Lutheran Church Has New Name

"Shepherd of the Valley Lutheran Church" is the new name for Spring Valley's newest congregation. The church, meeting in the Spring Valley Chamber of Commerce Building, 9050 Memory lane, is a mission of the United Lutheran Church in America. It formerly had the temporary name of "The Lutheran Church in Spring Valley."

"We had a vote on the name at one of our services," said the Rev. John Steven Kerr, pastor of the church, the name "Shepherd of the Valley" was chosen by an overwhelming majority. We think that it is a very appropriate name for a congregation which seeks to serve the whole Valley area."

The new name will be officially adopted Sunday, Feb. 26. Also slated for Feb. 26 at the church is a family dinner night at 5:30 p.m. Milton Flene, assistant director of the Stewardship Department of the United Lutheran Church in America, will come from New York City to address the diners.

The public is invited to the services and the dinner.

Visiting Pastor Due at Methodist Church Sunday

The Rev. Grandison Phelps of St. Paul's Methodist Church, San Diego, will exchange pulpits with Dr. Jordan E. Detzer of the Lemon Grove Methodist church Sunday at the 11 a.m. service as well as sharing at the 8:30 a.m. services.

Here's the schedule for Sunday:

The seventh grade MYF and he nominating committee both meet at 6:30; the eighth and ninth grade MYF and the high school MYF meet at 7 p.m. The adult Bible class sponsored by the WSCS studying "Believe in Christ" is scheduled in the pastor's study at 7:30.

Wednesday prayer groups of the church will meet at 10 a.m., at 10:30 a.m. and at 7:30 p.m. Saturday, March 4, a men's work day and breakfast is planned at the church, beginning at 8 a.m.

SV Men Attend National Meet

Four men of the Trinity Presbyterian Church, Spring Valley, will leave for Sacramento today to take part in the national meeting of United Presbyterian Men. The meeting will be held in the state capital. Trinity men attending are Jim Turner, Jim Stittler, Jack Knowliden and the Rev. Keith Mitchell.

Men from all over the western U.S. will be there for a meeting of inspirational speakers, study groups and talk-over sessions.

Baptist Church News

BANCROFT BAPTIST

A school of missions is in progress this week at the Bancroft Baptist Church. The meetings will be every day at 7:15 a.m. for study of the graded mission books. At 8 p.m. there will be a general assembly in the sanctuary to hear a message from the missionary speaker. This will be an unusual opportunity to hear about his work of the new Southern Baptist missionaries around the world, says Rev. Lewis Ginn, pastor.

The Associational youth rally will be Saturday at 7:30 p.m. at the Paradise Hills Baptist Church. A highlight of this meeting will be singing by the California Baptist College choir.

CASA DE ORO BAPTIST

The high school-college age group of the Casa de Oro Baptist Church enjoyed a sing-fest and fellowship after the Sunday evening services. The event was held at the home of Mr. and Mrs. W. Bradley. Plans were made for coming meetings, parties, etc., including the Easter banquet.

The women of the church, on Friday evening, will be honoring Miss Marilyn Alexander, in the church social hall.

Rev. Robert Hammond, president of the "Voice of China and Asia" will be guest speaker at the church Wednesday at 7 p.m. Besides his speech, Rev. Hammond will present a film, "Cry of the China Seas." Everyone is invited, says Rev. Ernest Anderson, pastor.

S.V. FIRST BAPTIST

"The Peacemakers" will be Rev. Roland Taylor's text at the 8 and 11 a.m. Sunday services of the First Baptist Church of Spring Valley. The junior choir will be singing at the 8 a.m. service, and Chancel choir

Lutheran Church Elects Officers

The Atonement Lutheran church held its first election of officers last Sunday and named Ivan Blaettler, president and Bernard Bruce, vice president.

Other officers elected were J. C. Lettow, secretary; Kenneth Camp, treasurer, and Roy Wentzel, trustee.

Atonement Lutheran is the newest congregation in our area affiliated with 2,400,000 members of the Lutheran Church-Missouri Synod, Blaettler said.

Atonement shares in the sponsorship of the televised "This is the Life" and "The Lutheran Hour" on radio, he said. The Rev. Carl Nelson is pastor.

CANON RICHARD LIEF

Canon R. Lief To Conduct Healing Program

A "laying on of hands" ceremony will climax a series of Lenten Meditations on Christian Healing, presided over by the Rev. Richard Lief, M.A., D.D., Canon of St. Paul's Cathedral of Los Angeles.

The series will be held in Lemon Grove at St. Philip's Episcopal church starting Wednesday at 10 a.m. according to Phillip Bartlett, vicar of the local church. The program will end at 2 p.m. with the "laying on of hands" ceremony.

Canon Lief is executive director of the Episcopal City Mission Society of Los Angeles and is chaplain and associate warden of the International Healing Order of St. Luke.

Vicar Bartlett said that coffee and tea would be provided but suggested that visitors bring a box lunch. Child care cannot be provided for these services, he said.

St. Philip's is located at Palm St. and Hardy rd.

Christ Jesus is Sermon Topic at Science Church

"Christ Jesus" will be the subject of the Sunday Lesson-Sermon in all Christian Science churches. The Golden Text is from Isaiah (28:16), "Thus saith the Lord God, Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation."

How the application of Christ Jesus' teaching to daily living brings increased blessings to mankind will be emphasized in the sermon.

A Scriptural citation from Luke's Gospel records that when Jesus "was in a certain city, behold a man full of leprosy; who seeing Jesus fell on his face, and besought him, saying, Lord, if thou wilt, thou canst make me clean. And he put forth his hand, and touched him, saying, I will: be thou clean. And immediately the leprosy departed from him. And he charged him to tell no man: But so much the more went there a fame abroad of him: and great multitudes came together to hear, and to be healed by him of their infirmities" (5:12-15).

Grove Concert Band To Compete at Clairmont

The Lemon Grove School concert band, with 75 members and the 53-piece orchestra, will perform March 4 at the annual Southern California School Band and Orchestra District Festival. Held this year at Clairmont High School in San Diego, the festival is open to the public for daytime performances. The program includes both junior and senior high students, plus a few elementary pupils.

Mt. Miguel Cagers Falter; Drop Last Two Contests

By Bill Ott Jr.

Mt. Miguel's cage team faltered in the clutch last week dropping a 45-37 decision to the Sweetwater Red Devils last Tuesday afternoon on the Devil floor. Friday night, the Matadors attempted to rebound from Tuesday's showing, but fell short in a last minute rally and lost to the Hilltop Lancers, 56-52. The game was played on the winner's planks.

The Red Devils jumped out in front, 10-6, and built up a 20 11 halftime lead en route to their upset victory. Mt. Miguel bounced back in the third quarter with a 14 point tally while holding the host Devils to 11, for a 31-25 third quarter lead. The Sweeties outscored the visitors in the final stanza, 14-12 for the 45-37 finish.

Center Bill Jordan took scoring honors for the day with 16 points for the Sweetwater five. John Adams and Walter Tillis followed Jordan's efforts with 9 points each. Bob Engberg's 11 and Duane Freeman's 10 points were tops for the losing Miguel quintet.

In Friday night's contest with the Northern Division leaders, the Matadors trailed at the end of the first period, 16-12, and fell behind 30-21 at the half-time intermission. The Miguel five rallied back in the third quarter, outscoring the Lancers, 16-24 closing the gap to 44-37 going into the final chapter of the clash. With approximately 1 minute and 30 seconds remaining in the contest, the Miguelers closed the Hilltop margin to 52-49 before falling, 56-52.

Gary Neal paced the Lancer's first half attack with 10 points, and finished with 18. Charlie Schneider and Tom Lee trailed Neal's tally with 15 and 13 points respectively. Bob Engberg grabbed scoring honors for the frantic clash with 19 points, 9 of them coming from the freethrow line. Doug Wardell was the only other Matador to finish in the double column, finishing with 14 points, 10 of them coming in the second half.

If the Matadors defeated El Capitan Tuesday night, and dump the El Cajon Braves tomorrow night, they will advance to the C.I.F. San Diego Section Playoffs.

Eagle Award to Dennis McCullom

Dennis McCullom, 14, a member of Boy Scout Troop 333, sponsored by the Lemon Grove Methodist Church, was awarded an Eagle Badge—Scouting's highest award in ceremonies at the church on Scout Sunday.

Dennis is the first member of the troop to win in the coveted Eagle award. Some 250 people witnessed the presentation.

Lloyd Peters, local Scout official, presented the Eagle award to Dr. Jordan E. Detzer, pastor of the church, who in turn presented it to young McCullom.

A second presentation was made—this one to Dr. Detzer—for 25 years as a registered Boy Scout. Dr. Detzer, an Eagle Scout with three palms, was presented with a 25-year pin.

Troop 333, under the leadership of one of the 15 President Eisenhower awards recently presented. The award is for building up and maintaining one of the fastest growing and leading troops in Southern California.

Both the post and troop went on a camping venture over the past weekend to the Imperial Valley.

Scouting, Dr. Detzer said, is a major part of his church's activities.

Dairying is the largest single source of farm income in the United States, involving about one-fifth of our agricultural economy.

DEL MAR'S 1961 RACING MOVED UP TO JULY 25 OPENING

DEL MAR, Calif. (Spcl)—Opening of the 22nd summer season of thoroughbred racing at the Del Mar Turf Club has been moved up one day, to Tuesday, July 25. It has been announced by Don Smith, president and general manager of the popular seaside course.

Approval of the new opening day was given by the California Horse Racing Board. It will allow Del Mar to be "dark" on Tuesday, Sept. 5, which is the day following Labor Day. Racing will be resumed Wed. Sept. 6 and continue to closing on Tues., Sept. 12.

Del Mar's traditional 42-day meeting will be a six-day per week basis, except for the Labor Day week when only five days of racing will be scheduled. There is no Sunday racing at the Turf-surf course.

Mt. Miguel Grapplers Score Wins

By Fred Head

Mt. Miguel High Correspondent Coach Ben Duea's Mt. Miguel Matador wrestling team finished the Metro League season Tuesday afternoon, with a 36-6 triumph over the Grossmont Foothillers in the dual meet held in the Mt. Miguel gym. The triumph enabled the Miguelers to finish the season with a perfect 11-0 record and remain undefeated in Metro League competition for the fourth straight year.

The Matadors rolled by arch-rival Helix last Friday afternoon, 36-5 on the Highlander mat.

Mt. Miguel will enter the C.I.F. San Diego Section matches Saturday afternoon beginning at 1 p.m. in the Matador gym. Winners of the afternoon matches will return Saturday at 7 p.m. to wrestle off in the Semi-Finals. Schools competing in Saturday's clashes are: Mt. Miguel, Crawford, El Cajon, Escondido, Kearny, La Jolla, Lincoln, Mar Vista, Pt. Loma, San Diego Military, San Dieguito, and Vista.

Damage Suit Filed After Truck Crash

SAN DIEGO (CNS)—A suit for \$40,000 was filed Thursday in Superior Court against the Imperial Hay Growers Assn., El Cajon, as a result of an accident involving one of the association trucks last year on Avocado boulevard.

The plaintiffs, Mannie Phelps and Charles J. Dicken, claim that they were run into on March 1, 1960, when they were driving in a pick-up truck on Avocado, near Puebla drive.

Phelps asks \$25,000 in damages and Dicken, \$15,000. In addition, payment for medical expenses and lost wages is being sought.

News of Spring Valley Estates,
Mr. Miguel Terrace and La Presa
by Elaine Horowitz HO 3-5393

Try to get to the Local Government meetings, which are held every Friday night, at 7:30 in Spring Valley Fire House No. 1.

Last Friday, since Mohammed wouldn't come to the mountain, the mountain came to Mohammed, and the meeting was held in the Rancho school auditorium, in an effort to get So. Spring Valley residents to attend. They had a good turnout, and a good, heated discussion brought forth some interesting facts concerning the water service in Spring Valley Estates, and all sections serviced by the La Presa Water District. Did you know that besides your monthly water bill which is higher here than in most other water districts you pay water taxes in the amount of \$1.23 per \$100 evaluation of your property; 65 cents to Otay Water District, 21 cents to La Presa, 15 cents to the County Water Authority and 22 cents to the Municipal Water Authority. When it comes to water pipes, we have more connections than the President.

AVONDALE PTA
Las week, Avondale's PTA presented their first honorarium membership to William Heidbreder, a teaching assistant and second grade teacher at Avondale. He was selected because of the work he has done with children throughout his some 15 years as a teacher. He worked with Cub Scouts, started the School Safety Patrol at Avondale, helped with Civil Defense while in Santee, and recreation in San Diego. He helps wherever he is needed in school, after school, with individual children or groups. Congratulations to a fine man.

A flag raising ceremony at Avondale last Monday served as a salute for two famous men and a boy with initiative.

Some time ago Lt. Commander Lloyd Harmon, Ret. was presented with a framed picture of former President Eisenhower, and recently stated in a newspaper that he would be willing to give this picture to the school whose student gave the best reasons for wanting it. The best reasons were given by Steven Ford, a student in Mrs. Calderone's 2nd grade class.

The picture which was presented to Lt. Commander Harmon personally by Mr. Eisenhower, will hang in Avondale School.

Monday was really a big day at Avondale, for it was the first day their School Safety Patrol boys wore the new red vests purchased for them by the school. The boys certainly appreciate the fact that comes the warmer weather, they can do their heavy sweaters. Thank you, Mr. Barnes.

The new 50-star flag presented to Avondale by Mr. Holland of Holland Appliance Co. will fly over the school for the first time on Monday.

SCHOOL BOARD
Last day to file declaration of candidacy for the La Mesa-Spring Valley School Board of Education, is March 17.

Applicants must be over 21, U.S. citizens, residents of the school district and a registered voter.

Joe Vitas, one of our local residents is filing his intention to run. As a representative to the Citizen's Advisory Committee, and his wife Jean, on the Board of Avondale's PTA, Joe is well aware of the needs, problems and strong points of our school district.

6TH GRADE CAMP
Avondale's 6th graders will be leaving for Camp Cuyamaca Feb. 27. The week they spend there studying nature and conservation, learning to cook over an open fire, hiking, singing, etc. will be another step taken on their road to independence and maturity.

LITTLE LEAGUE
The Women's Auxiliary of the S.V. Little League will meet Feb. 27 at 8 p.m. in the Jordan home, 1543 Gowin.

There were 139 boys registered in the Spring Valley Little League last week. Registration will again be held on March 1, from 7:30-8:30 p.m. in Room 8 at Avondale.

Tryouts will probably be starting March 4. Watch this column for more information on this.

If you're in the area of the Little League field, stop and take a look. The back fence is up, and so is the concession stand. They still need grass seed although with their magic in overcoming obstacles, if someone doesn't donate it, I can see them as clear as day making their own.

The Little League had big plans, but they were scuttled by whom? Well, all I can say is, if there can't be cooperation by adults whose main concern is supposed to be the boys who just want to play ball, and when the Little League and Pony League are both supposed to be working together, where will cooperation begin. Maybe the children can show some of them how.

Local Dental Students Due JC Honors

Twenty-four San Diego Junior College dental assisting students will be honored at an open house and capping ceremony Wednesday at 8 p.m., on the business campus of the college, 835 12th St., San Diego.

Included on the list of dental assisting students to receive caps are two Spring Valley residents. They are Marilyn Becker, 10380 Del Rio Rd., and Brenda Jean Preston, 10390 Lomo Rancho Dr. Miss Becker will receive a certificate of completion at the Junior College's June graduation exercises, and Miss Preston will receive an Associate in Arts degree in dental assisting. The certificate represents completion of the one year program and the degree indicates completion of academic work in the dental assisting curriculum.

Caps will be awarded to the students by Mrs. Shirley Leonard and Mrs. Mary Rowley, instructors in the dental assisting program.

William E. Schiefer, DDS, president of the San Diego County Dental Society, will administer the dental assistants' pledge to the young women who are entering the last semester of their training. Miss Marquita LeDoe, president of the local dental assistants' society, will welcome the students into the profession.

Guest speaker at the ceremony will be Jack Kimbrough, DDS, president-elect of the Dental Society.

Feature of the open house will be a series of clinics set up by the students to exemplify portions of their two-year training. The clinics will show chair-side procedures, X-ray techniques, and reception work.

Report Cards Out to Area HS Students

Richard A. Smith, Grossmont Union High School District data processing supervisor, announced this week that all report cards for first semester have been mailed. Only those cards on which errors were made are not mailed, and the correction process is underway. The processing of report cards for 11,000 students in six schools required five days.

Now, the machines are printing two copies of the report card of each student. These will be posted on his permanent record cards, kept in the file of the registrar and the student's counselor. Smith said with two people and a machine his entire operation will take only three or four days, even though this is a first-time operation. Previous methods involved hand typing of cards, painstaking transcription made from report card to permanent record cards.

A pre-registration form for each student of El Cajon, Escondido, Granite Hills, Grossmont, Helix, and Mt. Miguel High Schools as well as for each eighth grader in the district are available for counselors and vice principals, who will now begin counseling enrolling students in class or next fall.

Lions Club Speech Contest To Be Held Here Thursday

Three students from Mt. Miguel high school will compete in the student speaker contest held on Thursday at the Lemon Grove Lions Club dinner meeting at Michael's, according to Dr. Donald Johnson, chairman of the event.

Winners here will compete against winners from La Mesa, Spring Valley, El Cajon and other communities where Lions Clubs are operating.

Theme of the competition is "Our National Heritage - Pattern For Today." It is the 24th annual contest.

Any interested person may attend the event but dinner reservations must be made in advance by contacting club secretary Jesse Lee at HO 3-5984.

B. of A. Award Winners Soon To Be Listed

The search to find the high school senior students who will be honored in this year's state wide Bank of America Achievement Awards program has nearly ended. Faculty committees from high schools throughout the state, including this area, will report their candidates for the various awards within a few days.

Announcement of the local winners will be made about March 20.

For "outstanding scholarship leadership and promise of future service to society," more than 2,500 Southern California students will receive certificates of achievement; 800 will be engraved trophies, and 252 who survive group oral interviews in competition with other schools will receive cash awards. In Southern California there will be 12 awards of \$1,000 each, and others ranging down to a large group of \$25 awards.

Zone competitions with other schools will be held in April, and all first place winners in the zone events will go to the finals in May, where they will receive cash awards ranging from \$150 to \$1,000 each.

CHECKOUT — Beatrice Garber, well-known local rest-home operator, examines architect's drawings of Monte Vista Lodge, Lemon Grove's newest residential retirement complex. Lodge is to be built on a seven-acre site on Massachusetts ave. With Mrs. Garber is Kenneth Hut, Monte Vista's administrator.

Financing at Monte Vista Completed, Directors Say

Directors for the two-million dollar Monte Vista Lodge retirement complex being developed in Lemon Grove yesterday announced that preliminary financing arrangements have been completed.

The seven-acre project, located at 2211 Massachusetts ave., will accommodate 215 persons when complete.

Kenneth Hunt, administrator, said Monte Vista Lodge is being designed for persons who are retired. At a fixed and irrevocable price the independent and non-denominational Lodge will provide residents with comfortable living and recreation, he said.

Living facilities will include 127 single ground level units, 39 double units, plus 25 additional sections. The Lodge will provide a licensed dispensary and if necessary, nursing care will be available. Another proposed feature will be a quiet garden area with lath-house and glass enclosed aviary.

All household expenses such as light, heat, and water are covered and maid service is offered.

Residents may use a therapy room, dine in a central dining hall, relax in a recreation hall pursue hobbies, lounge in lounges, and enjoy an indoor outdoor pool. Plans also call for landscaped croquet, lawn

Speed, Bike, Walking Violations Show Largest Citation Increase

Speed continues to be the number one problem of the young driver according to Bernard S. Schwartz, referee of the San Diego County Juvenile Court Traffic Division. He states that in January, 1961, speed citations totaled 273 of the 1590 citations received by the Juvenile Traffic Court.

"Violations were up in almost all categories," stated Schwartz, "but speed, bicycle, and pedestrian violations showed the largest increase." Schwartz also stated that a speed citation brought back the largest number of violators, although their previous citations were not necessarily for speeding.

There were actually 1489 citations processed during January, totaling 1733 separate code violations committed by 1353 individuals. Included in the group were 120 military personnel and 74 residents of other jurisdictions handled by transfer. Eighty-eight per cent of those interviewed who received a citation for a hazardous, moving vehicle violation, were disposed of by some method other than counseling, primarily by license suspension or restriction.

Enforcement agencies contributed toward the total of citations received as follows:

San Diego	1122
La Mesa	52
El Cajon	53

National City 21
Chula Vista 51
Imperial Beach 11
Other jurisdictions 43
Coronado 11

Higher Employment Tax Rate To Stay

"The extended duration tax rate which will apply for the year 1961 is 2% (2/10 of 1%)," according to Hagen Christensen, auditor in charge of the San Diego Audit District Office today.

This tax, which is in addition to the regular tax rate for an employment contributions for the year 1961, applies to the first \$3,600 paid to each worker during the year 1961. Assessment for this tax will be made in May of 1962. However, Christensen pointed out that many employers in the district served by his office will be interested because they intend to currently accrue the tax.

He also reminded employers that the same rate was applicable to the year 1960 and that assessment for the tax for that year will be made in May, 1961. Notices of the regular contribution rate will be issued within the next few weeks.

LIFERS — Seven persons in the under-junior-high school level were recipients of the coveted Honorary Life Membership Award recently as local PTAs celebrated Founders Day recently. Those who were given the life Membership distinction at Lemon Grove elementary schools are: Mmes. Lysette Stumbaugh, Mt. Vernon school; Edith Corkum, Golden Ave. school; Gladys Jones and Peaches Hughes, Monterey Heights; Lorraine Birch, Vista La Mesa and James Martin, San Miguel. The lone male is Douglas-Giles, teacher, who gained the award from San Altos PTA. Recipients of Life Memberships awards by junior high schools appear elsewhere in this issue.

PUBLIC NOTICE-- ITS MANY USES

Copyright 1960
By James E. Pollard

Here is another series of articles on legal advertising. The first few will deal with background of legal notices. Later, specific legal notices will be discussed here.

THE PEOPLE'S RIGHT (No. 2 in a Series)

One of the important books of the 1950's was "The People's Right to Know." It was written by the late Dr. Harold L. Cross, a leading attorney and for some years on the staff of the Graduate School of Journalism, Columbia University. As its foreword pointed out, the book was in reality a report to the American Society of Newspaper Editors which sponsored the study. This 400-page book has to do with the status of legal access to the public records and proceedings in the United States. It deals with various aspects of what the book calls "the never-won struggle for a maximum of basic freedoms in a free society." Concerted attention has been focused upon this problem in recent years by a number of agencies, both state and national.

In wartime and under the security conditions necessary even during the cold war, there has been a tendency to go beyond necessity in withholding information from the public. Some of this has resulted from overzealousness on the part of the armed services. Some has grown out of the tendency of bureaucracy to protect itself and, in so doing, to make its own ground rules. But as a result of the efforts of Dr. Cross and others, some progress has been made in breaking down the fences erected around legitimate information.

Public notice, or legal advertising, is another aspect of the people's right to know. It is for the protection of their rights both personal and collective. Whether it has to do with tax rates, a special election, or setting an estate, the principal is the same. The newspaper, in turn, performs a public service in publishing public notices. They are part of the legal machinery of helping to insure the people's right to know.

Vanilla ice cream is the favorite flavor of about 50 per cent of consumers, with chocolate and strawberry in second and third place.

Handicapped to Benefit by Goodwill Sale

The first sale in the history of the Goodwill Industries will open today in the various stores of the non-profit organization, including the Lemon Grove store, it was announced by Charles Spisak, the executive director, who is a Lemon Grove resident.

The Lemon Grove stores are located at 3488 Main street and at Grove and Imperial.

Spisak said that "drastic reductions will be made during the sale on many of our leading items."

"This will be the first full scale, county-wide sale ever held by our organization, since its founding in 1930," said Spisak.

The articles to be sold will provide funds to help employ the nearly 200 handicapped persons, now working at the non-profit organization, according to Spisak.

"These people have rehabilitated the items of clothing, and other household goods, which are being placed on sale today in all our seven stores, one of which is located at Lemon Grove," said Spisak.

C. J. "SKIP" HEIDICK
Grove Man Joins Clary

San Gabriel, Calif. (Spel) — C. J. "Skip" Heidick of 2612 Nida place, Lemon Grove, widely known in Lemon Grove and San Diego county business and civic circles, has been appointed factory representative of Clary Corporation.

Heidick will handle sales in San Diego, Albuquerque, Phoenix and Tucson areas for Clary's full line of products which include missile and rocket components, electronic computer and data automation equipment. He will headquarter in San Diego.

He is a member of the L.G. fire commission, directory of S.D. County Civic Defense, and past member of the civic committee of the S.D. Junior chamber of commerce.

A veteran of WW II and Korea, he is an army reserve captain. As a 15-year-old Boy Scout he saved the life of an asphyxiated victim and was made an honorary member of the National Safety Council. He attended Rutgers U. and U. of Mexico before coming to Lemon Grove.

Sag in Real Estate To Continue Here

Real estate sales in the Lemon Grove-La Mesa-Spring Valley area totaled 181 during January and 172 during December. Total real estate loans throughout the county during December amounted to \$46,535,896.

The above statistics were compiled for Trends, monthly real estate publication of the Union Title Insurance Company. The publication predicts that in 1961 the gross number of real estate transactions will decline, but not dramatically. Government activity (in public works and urban renewal) will account for a higher percentage of all transactions. Money rates and terms will be easier for standard purchases.

Local Square Dancers Join In Forming Junior Groups

The Junior Levis and Laces are joining seven other teen square dance clubs in the area in forming the Junior Square Dance Assn. of San Diego. This is the first time a Junior group of this type has ever been tried and it is hoped that this idea will spread and later become a statewide association for teen and pre-teen dancers. The purpose of the group is to provide an opportunity for bigger and better dances and also an expanded program of classes and instruction for new and beginning square dancers, organizers said.

The organizational meeting was held Feb. 12 at Balboa Park and the first officers of the association were elected. They are Tim Flourish, president; Diane Dague, vice president; Laurel Brooks, recording secretary, and Cherie Shevemaker, correspondence secretary.

Probation in Forgery Case

SAN DIEGO (CNS) — Two Lemon Grove youths and a third from Campo, who pleaded guilty in January to cashing forged checks in the Chula Vista area, were placed on probation Thursday in Superior Court.

Charles Eugene Fisher, 23, and Marvin F. Russell, 20, both of Lemon Grove, were placed on probation five years for their part in cashing checks of the Turquoise Swim School, El Cajon, and were ordered to make restitution of the \$180 they obtained. The sentence was passed by Judge Ronald Abernethy.

Billy Jack McLendon, 22, Campo, the third member of the trio, also was given five years probation, but he was ordered to be kept in custody at the county jail for six months. In addition, McLendon's wife, Joanna Mae McLendon, Thursday filed a suit in Superior Court asking a divorce from her husband.

PTA Chairmen to Discuss Shelters

The unit legislative and civil defense chairman of Poothills Secondary Council PTA will meet Thursday, Feb. 23, at 7:30 p.m. El Capitan High School, in Room 3. The purpose of the meeting is to discuss a recommendation to be made to the state that the building of bomb shelters should not be built on land allotted to the schools for future expanding classroom space, Mrs. Bruce Kerns, publicity chairman, said.

Members of the council legislative committee are Mrs. Raymond Nelson from the La Mesa-Spring Valley area; Mrs. James W. Bull from El Cajon; Mrs. Sloan Sloan from Lakeside, and Mrs. Ivan Arms representing the Lemon Grove area.

National 4-H Club Week, March 4 to 11, will be observed by about 1,100 youth in San Diego County, according to Bena Johnson, home advisor, University of California. The young people, 10 to 21 years old, are among the 2,302,000 4-Hers of America who belong to some 84,200 clubs in rural, urban, and suburban communities.

This year's continuing theme for the Head, Heart, Hands, and Health group is "Learn - Live - Serve Through 4-H."

The week will be highlighted nationally in Washington, D. C. by a team of six 4-H members, representing 4-Hers everywhere, who will give the annual "4-H Report to the Nation." The report will review in story and pictures outstanding 4-H achievements and current projects. While in the Nation's Capital, the three girls and three boys will visit the White House, meet several members of Congress, high Government officials, and other national leaders. After a short stay in Washington, they expect to go to New York and perhaps elsewhere to meet with other friends of 4-H.

Club members everywhere will share honors with the 302,500 men and women who serve as unpaid volunteer leaders, and guide 4-H work in local communities throughout the 50 states and Puerto Rico.

Among purposes of 4-H Club Week are: to acquaint more young people with opportuni-

ties open to them through joining or forming 4-H Clubs, to increase public understanding of 4-H aims and accomplishments, and to express appreciation to the many friends of 4-H who support the "learn by doing" program of character development and good citizenship.
